TONY R. MOORE, CLERK

BY 

And, I'm in Need of "Court Appointed Counsel"

to Litigate, and properly-argue my "Relief" under:

Re: [ Ramos v. Louisiana and non-unanimous jury verdicts ]  
( Supreme Court No. 18-5924, ) ( April 20, 2020 )

On February 5<sup>th</sup>, 1998, I remember one juror Ms. Green,  
crying before the jury openly stated the verdict of guilty  
in my case on all nine-counts.

My Attorney at that time Ghon-Ghia, said, she was  
crying because, Ms. Green, and two other jurors  
did not vote for my guilt.

A, juror note was sent to Judge Huik,  
and he told them that, "if" the majority of  
juror members found me guilty, then her vote  
of "not-guilty" would not count...

I was found guilty by a non-unanimous jury verdict, 2/5/1998.  
( Ramos v. Louisiana ) applies to me.

I, need counsel because I am still on the COVID-19 "Shut-IN".

And, my Court Appointed Public Defender, did render unto me  
(ineffective-assistance of counsel) in violation of my 6<sup>th</sup> Amendment.

I, hereby ~~FILED~~ file this "Letter" Motion (Ramos v. Louisiana)  
moving this Honorable Court of Review  
To Appoint "Private Counsel" or a "Law-firm"

to fully review, the potential impact of  
(Ramos v. Louisiana) and the benefit I may receive.

I, am unable to conduct Research, since the COVID-19  
has my entire institution on A COVID-19 "Lock down".

And has been on "Modified" shut-in/stay At Home  
since March 15<sup>th</sup>, 2020.

---

I, Appreciate This Honorable Court of Review's Attention.

I, Am Most Respectfully,

Mx. Manuel D. Hernandez #~~09766~~
